TENTATIVE AGENDA FOR MEETING
TO BE HELD ON MONDAY/TUESDAY
27/AUGUST 1948

1. Review of the Present Status of the Work

CIA. Survey of all parts has been completed except for OSO and Advisory Council; OCD, which was recently reorganized, will have to be re-examined briefly, and we will also have to check back with a number of the offices already covered.

State Department. Survey and initial summary completed by Mr. Sprague.

Army survey by Mr. Saxe about three-fourths completed.

Navy survey by Mr. Sprague begun.

Air Force. Survey and report by almost completed.

25X1

We will, of course, have to check back with all of the departments and agencies for information. We have yet to establish our contact with the FBI and also to complete our work with the Atomic Energy Commission.

2. Review of the Various Summaries and Memoranda submitted to date.

3. Review of the "Tentative Outline for Final Report" and Agreement upon the Scope and Contents of the Final Report.

4. Allocation of Responsibilities for the Individual Chapters in the Final Report.

5. Review of the draft outline for the chapters on the departmental intelligence agencies and agreement as to the scope and content of these chapters.

6. Discussion of my memorandum, "Notes on Questions to be Considered in the Conclusions of the Survey Group Report".

7. Proposed Schedule

1 October - Completion of all basic investigation and summary reports

Mid-October - Survey Group visits to Washington and holding of hearings
